

LEYNA DUONG

DIRECTOR OF RECORDS

INTRODUCTION

Hello BAP & Accounting Society Members! I would first like to express my gratitude for the nomination and support! My name is Leyna Duong I am currently a junior here at CSULB. This semester strengthened my position with Beta Alpha Psi & Accounting Society, and the whole experience significantly helped me strengthen my professional skills and provided me with a solid foundation for success. More importantly, being a part of this organization has allowed me to form meaningful connections and friendships that have extended beyond professional matters. After seeing my growth throughout my time with BAP&AS, I feel that this is the perfect time for me to start giving back in any way possible.

GOALS

My goal for next semester as Director of Records is to maintain the growth trajectory of Beta Alpha Psi's members and pledge class by refining previous DOR duties, including optimizing room presentations to attract incoming business students. Additionally, I aim to effectively guide and motivate next semester's pledges as they embark on their professional journey within our chapter.
